

WG

GND

Piezo  
Disk

```
graph LR; WG[WG] --- PD[Piezo Disk]; GND[GND] --- PD;
```

The diagram shows a circuit with three components: 'WG' (top left), 'GND' (bottom left), and 'Piezo Disk' (right). A curved line connects 'WG' to 'Piezo Disk', and a straight line connects 'GND' to 'Piezo Disk'. All components are enclosed in rectangular boxes within a larger frame.
